I've not seen any responses but seems like a reasonable plan - figure he has plenty to do if we don't need Monday crunch time. :)

Jen and Diane, We were thinking that it would be good to have Keegan in the area on Tuesday 27 to cover any last minute presentation polishing. It would mean he travels out on Monday and will have an extra day of Hotel costs and expenses. I don't believe there is any problem with overall budget but just did not want to assume you are good with extra expenses.

Thanks
